

Evidence Index

This file maps the main paper-draft claims to the current evidence in the repository.

Project Starting Point

- Current repository-level overview:
 - C:/artificial-evolution/README.md
- Current state / implementation map:
 - C:/artificial-evolution/docs/CURRENT_STATE.md

Phase 1 Narrative

- Phase 1 English summary:
 - C:/artificial-evolution/phase1_report/artificial_evolution_phase1_summary_en.pdf
- Phase 1 Thai summary:
 - C:/artificial-evolution/phase1_report/artificial_evolution_phase1_summary_th.pdf
- Phase 1 lineage-capable search result:
 - C:/artificial-evolution/data/massive_lineage_search.md
- Canonical successful bodies:
 - C:/artificial-evolution/data/survivor_body_types.md

Household Continuity And Sexed Reproduction

- First sexed-world failure:
 - C:/artificial-evolution/data/experiments/experiment_040.md
- Full sexed body search before fix:
 - C:/artificial-evolution/data/experiments/experiment_041.md
 - C:/artificial-evolution/data/sexed_world_body_search.md
- Diagnostic logging stage:
 - C:/artificial-evolution/data/experiments/experiment_044.md
- Post-fix success to generation 3:
 - C:/artificial-evolution/data/experiments/experiment_045.md
 - C:/artificial-evolution/data/sexed_generation_test.md

Emergent Technology

- First technology study:

- C:/artificial-evolution/data/first_technology_emergence_study.md

Publication-Grade Current Results

- Main batch package:
 - C:/artificial-evolution/data/publication_packages/experiment_047_publication_batch
- Main batch condition-level statistics:
 - C:/artificial-evolution/data/publication_packages/experiment_047_publication_batch/condition_level_statistics.csv
- Main batch replicate outcomes:
 - C:/artificial-evolution/data/publication_packages/experiment_047_publication_batch/primary_outcomes.csv
- Main batch figures:
 - C:/artificial-evolution/data/publication_packages/experiment_047_publication_batch/figures

Robustness And Supplement-Style Results

- Robustness package:
 - C:/artificial-evolution/data/publication_packages/experiment_048_robustness_sweep
- Robustness statistics:
 - C:/artificial-evolution/data/publication_packages/experiment_048_robustness_sweep/condition_level_statistics.csv
- Robustness replicate outcomes:
 - C:/artificial-evolution/data/publication_packages/experiment_048_robustness_sweep/primary_outcomes.csv
- Robustness figures:
 - C:/artificial-evolution/data/publication_packages/experiment_048_robustness_sweep/figures

Methods And Data Standards

- Paper-run protocol:
 - C:/artificial-evolution/docs/PAPER_DATA_PROTOCOL.md
- Publication-package protocol:
 - C:/artificial-evolution/docs/PUBLICATION_PACKAGE_PROTOCOL.md
